

Find Myself

Motley Crue

Destroy
I gotta find myself I gotta find myself some love
I gotta find myself some drugs
I gotta find some liquid sunshine
I gotta find myself
I gotta find myself I'm a sick motherfucker
I'm a sweet sucka mutha
Ain't no one tougher
I'm a wreck, I'm a sleaze
I'm a rock 'n' roll disease
I'm a pusher, I'm a shover
Ain't no motherfucker, tougher I gotta find myself
Yeah, I'll try myself I gotta find myself some glue
I gotta find some suction
Now my aim is destruction
I gotta find myself
I gotta find myself I'm a drunk motherfucker
I'm a smacked out lover
Ain't no one tougher
I'm a dick, I'm your master
I'm a rock 'n' fuckin' roll disaster
I'm a pusher, I'm a shover
I'm your dirtbag lover I gotta deal with my neurosis
I gotta deal with my neurosis
I gotta find myself some love
I gotta find myself some drugs I gotta sniff myself some glue
I gotta find some turpentine
For you, you, you, you I gotta find myself
(Destruction)
I gotta find myself
(Destruction)
I gotta find myself
(Destruction) I gotta find myself
(Destruction)
I gotta find myself
(Destruction)
Yeah
