Smiling (Instrumental)

Lady Wray

Remember when we were young and free?
Simple games like hide and seek
We used to laugh even through the pain
Will we ever get back to the way things used to be?Just keep on smilingShow me all your teeth, please don't hide your face
Even when you're losing the race
Momma said there'll be days like these
There'll be ups and downs swing you 'round in place
Just keep on smiling
