

Coming Back For More

Elite Force

The Sunday morning blue's always about you
That I wake up alone in a big room
Got myself to blame for all my bad moods
And I really wish that I didn't feel this way
I wanna break the circle but the circle won't break
That I don't wanna spend another night
Trying to figure out why you're always on my mind
Whoa, all I know, you keep me coming back for more
Even when I think I've had enough
When I tell you that it's over, now we're done
Whoa, don't let go, just keep me coming back for more
(Just keep me coming, coming, coming, coming back)
Two weeks and three whole days and I give in
But I was doing so good but you always win
And I really wish sometimes that we would just move on
But what would I be doing if you were gone
That I don't wanna spend another night
Trying to figure out why you're always on my mind
Whoa, all I know, you keep me coming back for more
Even when I think I've had enough
When I tell you that it's over now, we're done
Whoa, don't let go, just keep me coming back for more
You always find a way to make me wanna stay
You'll never get away from me, oh oh oh
That I don't wanna spend another night
Trying to figure out why you're always on my mind
Whoa, all I know, you keep me coming back for more
(Whoa, all I know)
Even when I think I've had enough
When I tell you that it's over now, we're done
Whoa, don't let go
(Whoa, don't let go)
Just keep me coming back for more
(You keep me coming, coming, coming, coming back for more)
Coming back for more
(You keep me coming, coming, coming, coming, coming back for more)
Just keep me coming back for more
