

Exciter

[Kissç•€](#)

Oh, deep in the night I am waiting, sent from above, power of love in my hand
And I know what you want, I know what you need and I know what you feel
Lose all your fears and live out your dreams
I'm the one who's gonna make it real
Passion and fire, lust and desire, exciter
Pleasure and pain, this is my name, exciter Oh, heaven is yours for the taking, power of love, sent from above in
your hand
And I'll give you more than ever before, so take all you need
When you open your arms, open your eyes, I'm the one who's gonna make you see Passion and fire, lust and
desire, exciter
Pleasure and pain, whisper my name, exciter
Surrender to me and I'll guarantee, you'll pray that the night never ends
Come play the game, this is my name, exciter And I'll show you a world where you've never been, it's time that
you knew
There's no time for waiting, it's time to begin, I'm the one's gonna take you
