Cry Cry Cry

The Flatliners

Everybody knows where you go when the sun goes down
I think you only live to see the lights of town
I wasted my time when I would try, try, try
'Cause when the lights have lost their glow you'll cry, cry, crySoon your sugar daddies will all be gone
You wake up some cold day and find you're alone
You'll call for me but I'm gonna tell you bye, bye, bye
When I turn around and walk away you'll cry, cry, cryYou're gonna cry, cry, cry and you'll cry alone
When everyone's forgotten and you're left on your own
You're gonna cry, cry, cry
I lie awake at night to wait till you come in
You stay a little while and you're gone again
Every question that I ask I get a lie, lie, lie
For every lie you tell you're gonna cry, cry, cryWhen your fickle love gets old no one will care for you
Then you'll come back to me poor little love that's true
I'll tell you no and then you'll ask me why, why, why?
When I remind you of all of this you'll cry, cry, cry
You're gonna cry, cry, cry and you'll want me then
It'll hurt when you think of all the fool you've been
You're gonna cry, cry, cry
You're gonna cry, cry, cry and you'll cry alone
Cry, cry, cry all alone
