Sylvan Esso

I've got a television it's filling me with home
I've got a television it's filling me with home
Wherever I end up wherever I roam
Hey I've got a television it's filling me with home
I've got a phone that beeps makes me know I'm not alone
I've got a phone that beeps makes me know I'm not alone
Wherever I end up I sleep like a stone
I've got a phone that beeps makes me know I'm not aloneMy head my shoulders knees and toes
My head my shoulders knees and toes
My head my shoulders knees and toes
They're running everywhere where to go
My head my shoulders knees and toes
My head my shoulders knees and toes
My head my shoulders knees and toes
They take me to where I want to goCry
Oh young
Got a hurt
Don't you wanna get some
Esso
Cry
Young
Hurt
Don't you wanna get someMy head my shoulders knees and toes
My head my shoulders knees and toes
My head my shoulders knees and toes
They're running every way where to go
My head my shoulders knees and toes
My head my shoulders knees and toes
My head my shoulders knees and toes
They take me to where I need to goAnd all around the party we stand in circles now
Yeah all around the party we stand in circles now
Walking I find who knows where I come from
All around the party we stand in circles now
I had a dog before now I don't know where it's gone
I had a dog before now I don't know where it's gone
Oh how did I get here did it say when I was young
I had a dog before now don't know where it's goneI've got a television it's filling me with home
I've got a television it's filling me with home
Wherever I end up wherever I roam

Hey I've got a television it's filling me with homeCry
Oh young
