These Days

Foo Fighters

One of these days the ground will drop out from beneath your feet
One of these days your heart will stop and play its final beat
One of these days the clocks will stop and time won't mean a thing
One of these days their bombs will drop and silence everythingBut it's alright

Yeah it's alright

I said it's alrightEasy for you to say

Your heart has never been broken

Your pride has never been stolen

Not yet not yetOne of these days

I bet your heart'll be broken

I bet your pride'll be stolen

I bet I bet I bet I bet

One of these days

One of these days One of these days your eyes will close and pain will disappear One of these days you will forget to hope and learn to fearBut it's alright

Yeah it's alright

I said it's alrightEasy for you to say

Your heart has never been broken

Your pride has never been stolen

Not yet not yetOne of these days

I bet your heart'll be broken

I bet your pride'll be stolen

I bet I bet I bet I bet

One of these days

One of these daysBut it's alright

Yeah it's alright

I said it's alright

Yes it's alrightDon't say it's alright

Don't say it's alright

Don't say it's alrightOne of these days your heart will stop and play its final beat

But it's alrightEasy for you to say

Your heart has never been broken

Your pride has never been stolen

Not yet not yetOne of these days

I bet your heart will be broken

I bet your pride will be stolen

I bet I bet I betOne of these days

One of these days

One of these days
