I Fought the Law

Mike Ness

Breaking rocks in the hot sun I fought the law and the law won I fought the law and the law wonI needed money 'cause I had none I fought the law and law won I fought the law and the law wonI left my baby and I feel so bad I guess my race is run She's the best girl I've ever hadI fought the law and the law won I fought the law and the law wonRobben people with six gun I fought the law and the law won I fought the law and the law wonI lost my girl and I lost my fun I fought the law and the law won I fought the law and the law wonI left my baby and I feel so bad I guess my race is run She's the best girl I've ever hadI fought the law and law won I fought the law and the law won I fought the law and law won I fought the law and the law wonI fought the law and law won I fought the law and the law won I fought the law and law won I fought the law and the law
