Purple Smoke

RBTS WIN

I could hear the fall calling.
See my breath in the morning.
Got me tossing and turning
All the while, I'm still missing you.(just) Do that thing that you do.
Smoke over my head -- what I've been through.
I'm captivated by your mental,
Hold me child cause I might get with you.We could hear them calling,
We continue falling.
Till' the early morning,
I shine... for you.(cause') If you say we go, I go.
If you say we don't, I wont.
If you say we go,
I go get down to matter of it all.Say we go -- I go.
Say we don't -- I wont.
Say we go -- I go,
Get down -- matter of it all.Feeling righteous Sunday morning.
Be my god, I see glory.
Pour your light into me
Hold down a smile, see visions... me and you.Under sheets like they were temples.
I'm captivated by your mental.
I see other light side of crystal
Yeah, hold me child cause I might get with you (yeah).We could hear them calling
We continue falling.
Till' the early morning,
I shine... for you.If you say we go, I go.
If you say we don't, I wont.
If you say we go,
I go get down to matter of it all.Say we go -- I go.
Say we don't -- I wont.
Say we go -- I go,
Get down -- to the matter of it all.Say we go -- I go.
Say we don't -- I wont.
Say we go -- I go,
Get down -- matter of it all.Say we go -- I go.
Say we don't -- I wont.
Say we go -- I go,
Get down -- to the matter of it all.
