

# Something So Strong

## Crowded House

Love can make you weep  
Can make you run for cover  
Roots that spread so deep  
Bring life to frozen groundSomething so strong could carry us away  
Something so strong could carry us todayTurning in my sleep  
Love can leave you cold  
The taste of jealousy  
Is like a lust for goldSomething so strong could carry us away  
Something so strong could carry us todayI've been feeling so much older  
Frame me and hang me on the wall  
I've seen you fall into the same trap  
This thing is happening to us all, yeahSomething so strong could carry us away  
Something so strong could carry us today, yeahSomething so strong  
Something so strong  
Something so strong  
Something so, so strong
