

# Unconditional Love (feat. Phylissa)

## Jah Cure

You never see it coming  
and the next thing you know  
    unconditional love  
    unconditional love  
she aint lookin for no diamonds  
    and digging for no gold  
    just somebody to love  
    unconditional love  
    woahFirst of january  
    said you startin over  
    your hearts been in remission  
    makin a new beginning  
and its been six months since you got sober  
    taking a new position  
to make a better decisionThen you head to the corner store  
    and forget what you went for  
just as soon as he says hello.. hello.. You never see it coming then the next thing you know unconditional love  
    unconditional love  
she aint lookin for no diamonds  
    and digging for no gold  
    just somebody to love  
    unconditional love  
    woahYou never see it coming  
    and the next thing you know  
    unconditional love  
    unconditional love  
she aint looking for no diamonds  
    and digging for no gold  
    just somebody to love  
    unconditional love  
    woahThe fourteenth of February  
        got a cold shoulder  
        from someone so unexpected  
        you left your heart unprotected  
            yeah  
        then you built a china wall  
            guard it like a soldier  
            people would call your phone  
you act like nobodys homeAnd I went to the corner store

and I forgot what i went for  
just as soon as you said hello  
hellloooI never saw it coming  
and the next thing I know  
unconditional love  
unconditional loveI aint looking for no diamonds  
and digging for no gold  
just somebody to love  
unconditional loveYou never see it coming  
and the next thing you know  
unconditional love  
unconditional loveI aint looking for no diamonds  
and digging for no gold  
just somebody to love  
unconditional love  
woahbe my baby  
my one and only  
te amo  
mi amor
