

# A Different World (Acoustic)

[Bucky Covington](#)

We were born to mothers who smoked and drank  
Our cribs were covered in lead based paint  
No child proof lids, no seat belts in cars  
Rode bikes with no helmets and still here we are, still here we are  
We got daddy's belt when we misbehaved  
Had three TV channels you got up to change  
No video games and no satellite  
All we had were friends and they were outside, playin' outside  
It was a different life  
When we were boys and girls  
Not just a different time  
It was a different world  
School always started the same every day  
The pledge of allegiance then someone would pray  
Not every kid made the team when they tried  
We got disappointed and that was all right, we turned out all right  
It was a different life  
When we were boys and girls  
Not just a different time  
It was a different world  
No bottled water, we drank from a garden hose  
And every Sunday, all the stores were closed  
It was a different life  
When we were boys and girls  
Not just a different time  
It was a different world  
It was a different life  
When we were boys and girls  
Not just a different time  
It was a different world  
It was a different world
