

Last War

[Haley Bonar](#)

It's not as cool as me
As you bend the clock
The flyer is here once more
In the LAST WAR we had
In the LAST WAR we hadAm I close? I will stand down
In the LAST WAR we hadIt's not as smooth as me
As it was in a dream
You'll make it aching
And the waters lead up to here
To here
Am I close? I will stand down
In the LAST WAR we had
In the LAST WAR we had
In the LAST WAR we had
In the LAST WAR we had
