Fight to Survive

Primal Fear

Don't you see the danger
Coming over you?
Don't act like a stranger
Don't live like a foolCorruption, destruction
It's always the same
Illusion, confusion
The world lives in painHideous and hateful
It cuts like a knife
Money and business
Are counting our livesFight to survive worlds in disguise
In the heart of darkness
Fight to survive sedition will rise
In the dark days of your lifePriests and politicians
Tell us what to do
Words to clean up their positions
Never on the looseSubmissions, ignition
To start a new age
Suspicion, tradition
Releasing the rageHideous and hateful
It cuts like a knife
Money and business
Are counting our livesFight to survive worlds in disguise
In the heart of darkness
Fight to survive sedition will rise
In the dark days of your lifeOh oh oh oh
Oh oh oh
Oh oh oh oh
Oh oh ohOh oh oh oh
Oh oh oh
Oh oh oh oh
Oh oh ohPriests and politicians
Tell us what to do
Words to clean up their positions
Never on the looseFight to survive worlds in disguise
In the heart of darkness
Fight to survive sedition will rise
In the dark days of your lifeFight to survive worlds in disguise
In the heart of darkness
Fight to survive sedition will rise

In the dark days of your lifeFight to survive
Fight to survive
