

We Will Stand

Avalon

Sometimes it's hard for me to understand
Why we pull away from each other so easily
Even though we're all walking the same road
Yet we build dividing walls between our brothers and ourselves But I, I don't care what label you may wear
If you believe in Jesus you belong with me
The bond we share is all I care to see
And we can change this world forever
If you will join with me, join and sing Oh you're my brother, you're my sister
So take me by the hand
Together we will work until He comes
There's no foe that can defeat us
When we're walking side by side
As long as there is love we will stand The day will come when we will be as one
And with a mighty voice together
We will proclaim that Jesus, Jesus is King
And it will echo through the earth
It will shake the nations and the world will see, see that You're my brother, you're my sister
So take me by the hand
Together we will work until He comes
There's no foe that can defeat us
When we're walking side by side
As long as there is love we will stand The time is here, the time is now
To take a stand, to make a vow
I won't let go, you're not alone
Now and forever we'll sing together You're my brother, you're my sister
So take me by the hand
Together we will work until He comes
There's no foe that can defeat us
When we're walking side by side
As long as there is love we will stand You're my brother, you're my sister
So take me by the hand
Together we will work until He comes
There's no foe that can defeat us
When we're walking side by side
As long as there is love we will stand We will stand
We will, we will stand
We will stand
