In Your Hands

Krystal Meyers

I listen through the darkness, I know that I?m not alone
And I feel You all around me but every time I call
All I hear is my own echo, Your silence says it all
I'm restless but I will not fight alone, let go
It's in Your hands, it's in Your hands
I trust You though I don't understand
It's in Your hands, it's in Your hands
Close my eyes and follow the plan
Plan, plan, plan, plan, plan, plan, plan
I trust You 'cause it's all in Your hands
As time slips through my fingers, I slow down and breathe You in
There?s a peace that washes over me
And I?m not afraid at all of things I cannot see or understand
[Incomprehensible] and I?ll go on another night ?cause all I know
It?s in Your hands, it?s in Your hands
I trust You though I don?t understand
It?s in Your hands, it?s in You hands
Close my eyes and follow the plan
Plan, plan, plan, plan, plan, plan, plan

I trust You 'cause it's all in Your hands
Maybe one day this will make sense but until then I'm trusting You
I'm confused but You'll come through, You always do
I've waited so long to see the sun on the horizon
Feel it coming on and I see You
It?s in Your hands, it?s in Your hands
I trust You though I don?t understand
It?s in Your hands, it?s in Your hands
Close my eyes and follow the plan
Plan, plan, plan, plan, plan, plan, plan
I trust You 'cause it's all in Your hands
It?s in Your hands, it?s in Your hands
I trust You though I don?t understand
It?s in Your hands, it?s in Your hands
Close my eyes and follow the plan
Plan, plan, plan, plan, plan, plan, plan
It?s in Your hands, it?s in Your hands
It?s in Your hands, it?s in Your hands
