

# I've Got Money

James Brown

I've got money  
And now I need love  
I've got money  
And now I need love  
When I get my lovin'  
I'll be the happy one I've got money  
No more money I need  
Woah, I've got money  
No more money I need  
Hey, I don't have to worry  
I don't have to let my heart leave  
Hey, come on now  
I need your love now  
I need your love real fast  
You're the best thing I ever had  
Ohh yeah I've got money now  
No more money I want  
Ohhh, but love, don't leave me don't  
When I get my lovin'  
I'll be the happy one Ohhh, yeah, yeah, yeah  
I need your love so bad  
I need your love so bad  
Turn your love-light on me  
And ease my misery  
Hey  
I believe I'll sing the blues one more time  
I believe I'll blow it one more again  
I've got to try it one more time  
I'm going insane Hey come on  
Ohhh yeah  
I got to sing the blues  
The best thing I ever had  
I need your love so bad  
Ohhh  
Ohhh  
Tell the truth  
Tell the truth now, the truth  
I gotta sing the blues for you  
Goodbye, so long

That's all, I'm gone

Ahhhh
