

Allahi Allah Kiya Karo

Maher Zain

Allahi Allah kiya karo
Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam ussi ka liya karo.

Allah hee Allah...

Allah hee Allah...

Allahi Allah kiya karo
Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam usi ka liya karo.

Allah hee Allah...

Allah hee Allah...

Just like a sunrise can't be denied
Oh, just like the river will find the sea
O Allah, You're here and You're always near

And I know without a doubt
That You always hear my prayer
Such ki raah pay chala karo

Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam ussi ka liya karo.

Allah hee Allah..

Allah hee Allah...

Allah hee Allah kiya karo
Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam usi ka liya karo.

Allah hee Allah...

Allah hee Allah...

So many bright stars
Like diamonds in the sky

Oh, it makes me wonder
How anyone can be blind
To all the signs so clear
Just open your eyes
And I know without a doubt
You will surely see the light
Aisa zulm na kiya karo

Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam usi ka liya karo.
Allah hee Allah...
Allah hee Allah...
Allah he Allah kiya karo
Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam ussi ka liya karo.
Allah hee Allah...
Allah hee Allah...
Allah he Allah kiya karo
Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam ussi ka liya karo.
Allah hee Allah...
Allah hee Allah...
Allah he Allah kiya karo
Dukh na kisi ko diya karo
Jo duniya ka malik hai
Naam ussi ka liya karo.
Allah hee Allah...
Allah hee Allah...
Allah hee Allah...
Allah hee Allah...
