Touch a Hand, Make a Friend

Paul Young

Can't you feel it in your bones?
A change is comin' on
From every walk of life
People are seeing the lightCan't you feel it in your heart now?
A new thing is taking shape
Reach out, touch a hand
Make a friend if you canHey, what about you my friend?
Anytime you come on in
Live the united way
Why don't you join us today?
Reach out, touch a hand
Make a friend if you can
Reach out, touch a hand
Make a friend if you canIt's been reflecting in the attitudes
Of others just like you
Reach out, touch a hand
And make a friend if you canEvery day folk are waking up
To the need for one another
We're on our way
Making the world a better placeCan't you feel it in your heart now?
A new thing is taking shape
Reach out, touch a hand
Make a friend if you can
Reach out, touch a hand
Make a friend if you can
Reach out, touch a hand
Make a friend if you can...
