Pledge of Defiance

Total Chaos

I pledge my defiance to the flag
for destruction of the native american culture
and to this republic from which it stand
one nation
under god heads
chorus:
I pledge my defiance
to the U.$. government
no liberty, no justice
for people with low incomes
a country built on blood and power
a country built on inhuman dreams
chorus:
from this day forward
I will do everything in my power
to fight you
to destroy your government
and to burn your flag
destroy everything to do with this inhuman
dream
