Slack Motherfucker

Superchunk

You haven't moved from that spot all night since you asked for a light
you little smoke stack
You've wasted my time
I'd like to see you try and give it back

I'm working
But I'm not working for you!
Slack Motherfucker!

Relax, sit down
I'll kick that stool right out from under you
Well, then, I see you sitting outside
Well, I can do the same thing too

I'm working
But I'm not working for you!
No!
Slack Motherfucker!

I'm working
But I'm not working for you!
Slack Motherfucker
You Motherfucker!!
