Desperado

Glenn Frey

Desperado, why don't you come to your senses?
You've been out riding fences, for so long now
Oh you're a hard one but I know you got your reasons
These things that are pleasing you can hurt you somehowDon't you draw the queen of diamonds boy, she'll beat you if she's able
You know the queen of hearts is always your best bet
Now it seems to me some fine things have been laid upon your table
But you only want the ones that you can't get
Desperado, oh, you ain't getting no youngerYour pain and your hunger they're driving you home
And freedom, oh freedom, well, that's just some people talking
Your prison is walking through this world all aloneDon't your feet get cold in the winter time?
The sky won't snow, and the sun won't shine
It's hard to tell the night time, from the day
You're losing all your highs and lows
Ain't it funny how the feeling goes away
