What Now My Love

Elvis Presley

What now, my love, now that you left me?
How can I live through another day
Watching my dreams turn into ashes
And all my hopes into bits of clay?
Once I could see, once I could feel
Now I'm numb; I've become unreal

I walk the night, oh, without a goal
Stripped of my heart, my soul
What now, my love, now that it's over?
I feel the world closing in on me
Here comes the stars tumbling around me
And there's the sky where the sea should be

What now, my love, now that you're gone?
I'd be a fool to go on and on
No one would care, no one would cry
If I should live or die

What now, my love, now there is nothing?
Only my last goodbye
Only my last goodbye
