

# This Christmas

## Devyn Kelly

Hang all the mistletoe  
I'm gonna get to know you better  
    This Christmas  
    And as we trim the tree  
How much fun it's gonna be together  
    This Christmas  
    Fireside is blazing bright  
We're caroling through the night  
    And this Christmas will be  
A very special Christmas for me  
    Presents and cards are here  
My world is filled with cheer and you  
    This Christmas  
    And as I look around  
Your eyes outshine the town, they do  
    This Christmas  
    Fireside is blazing bright  
We're caroling through the night  
    And this Christmas will be  
A very special Christmas for me
