You know what I'm sayin'?

[Noreaga] They ain't gonna expect it,

[Tragedy] I ain't trying to have no 2-5 casualties, man,
that's what I'm sayin', I want us to get in,
and get the fuck out...[Tragedy Khadafi]
From 41-12, to the U.S.A. building in Iraq
My crew bust back, we're cap peeling

Your crew dealing, in a box with no feeling
 Informer type, that's what you get for squealing
 It's the money or the morgue son, ready to die
 Black Infnit-i, yo, papi, call Ki
 The coke connect - don't trust us, he wanna touch us
 So call Russ, tell him, scoop me in the Lexus
 It's all good, in the 'hood, nobody know shhh
 Infrared, off the roof, some ol' scope shhh
 CNN, desert men, holding the chrome with gorilla grip
 Sing Sing, straight convict
 Strap the door, C-4, detonatin' shhh
 Blow the spot, don't give a fuck who you go and get
 We want the yayo
 And the cash that's in the stash, strip his Tommy drawers
 Yo, check the crack of his ass
 (Noreaga) Yo, on some homo shhh?!
 Nah kid, we on some real shit
 Since we here, we might as well get all of it
 Inshallah allahu akbar supporter
 CNN, desert men supreme order(word)[Capone]
 A kassi[???], three and a quarter, Arab Nazi
 Me and shorty from the Mecca, having a session
 Play the Shark Bar, sipping on French connection
 On the rocks, son, hit me on the box
 Time to hit the spot, regulate the whole fucking block[Tragedy Khadafi]
 Grab the gray tape, gag his mouth, leave him for the rats
 Stuck him for the yayo couldn't get the money back[Capone]
 So where you at?[Tragedy Khadafi]
 Meet me uptown, by the polo ground
 Strapped with the vest, plus I got the 4-pound
 Tell Caduece(tell who?), bring the A.K.(wha?),
 so y'all can hold me down[Capone]
 Aight kicko, I'ma meet you in a hour, keep the three power close
 Gotta get dun, and we ghost
 Met papi in Iraq(huh?), then winged by the back
 Opened up the trunk, and threw in the big gat
 Took off, threw the skully mask over the dome
 We war prone, desert men tactics all shown
 Met on 1-5-2, now we figure,
 Looking for that rich Dominican with that gold act vigor
 Chico, he got perico, little do he know
 We sticking him for all of his dough(nigga)Chorus:
 [Tragedy] This ain't your ordinary sh thug sh, that you used to, Q.U.
 [Noreaga] We stick you, we supposed to
 [Tragedy] Not your ordinary sh thug sh that you used to, Q.U.

[Noreaga] We stick you[Noreaga]
Yo, for years I been buying my coke from the same cat
Gherri curl nigga, Dominican nigga who look Black
As I think back, transform coke to crack
Yo amigo, him and Rico, they got perico
Son I know the spot, like the back of my hand
Networked a plan, we sticking him and his man
Working zip-lock, pop the lock, flee the spot
Grab the knot, national(hurry up! hurry up!),
tell Willy come and get me on 160
I got three people with me, with trenches
We uptown waiting on the benches
The cab taking long, Dominicans coming strong
Claiming that it's on, from dusk 'til dawn
We right across the street, they don't see us
Ay yo, our Cuban disguise, it got us looking like we Jesus
Inshallah, we flee the spot mega far
Jump up in Willy's car, and scream "Alhumdu Allah!"
25 people lost sleep, the other 25 lost heat(snitching)
A gave up Luis, and said it wasn't worth it
The CNN drug circuit, (yo) blind fold
Pass the gray tape, regulate, cowboy rope strapped
To the chair, stay there, he just a Power Ranger
That snitched on me while in danger
Noreaga, treat that ass like a stranger
Yo - yo yo -ChorusStick you, and him too - you and you
(Bitch ass nigga)
Got you back, got you back
We got you back - from sellin' that fake yak
