Adored

Miranda Cosgrove

I'm willing to try this but maybe you're not
Maybe we'll like it, let's give it a shot
But let's throw ourselves in and get soaking wet
Don't just sip our toes in, not yet
Don't tell me that you're kind of into me
'Cause I just wanna be, wanna be, wanna be adored
I need to feel it to know that you mean it
From the bottom of your soul let me know I'm adored
It's not enough for you simply to say it
Instead of telling me words let me know
That you're positively mine and I'm positively yours for sure
From the bottom of your heart let me know I'm adored
I'm willing to show you the thoughts in my mind
I'm willing to cut loose the ropes that I tied
So tell me you're ready to dig in the dirt
To show me the places where you haven't heard
Don't tell me that you're kind of into me
'Cause I just wanna be, wanna be adored
I need to feel it to know that you mean it
From the bottom of your soul let me know I'm adored
It's not enough for you simply to say it
Instead of telling me words let me know
That you're positively mine and I'm positively yours for sure
From the bottom of your heart let me know I'm adored
What's the point in settling for less?

From the bottom of my heart
Want more, wanna win and not come second best
From the bottom of my heart
So shattered, my heart don't matter now
Because I wanna fall for my own sickness
Don't matter if I break
You're gonna be adored by me
Don't tell me that you're kind of into me
'Cause I just wanna be, wanna be, wanna be adored
I need to feel it to know that you mean it
From the bottom of your soul let me know I'm adored
It's not enough for you simply to say it
Instead of telling me words let me know

That your positively mine and I'm positively yours for sure
From the bottom of your heart let me know I'm adored
From the bottom of my heart
From the bottom of my heart
From the bottom of my heart
From the bottom of my heart
'Cause from the bottom of my heart
From the bottom of my heart
From the bottom of my heart
From the bottom of my heart
'Cause
