

# I Don't Want Tonight to Be Over

Heidi Hauge

I Donâ€™t Want Tonight To Be Over  
Heide Hague

I Donâ€™t Want Tonight To Be Over  
I Donâ€™t Want This Night To Ever End  
I Wish That I Could Make It Last Forever  
Weâ€™d Never Have To Say Goodbye Again

We Must Save Forever Precious Moments  
Let Me Feel Your Heart Next To Mine  
No Words Are So Sweet As That Loving  
No Word Is So Sad As Goodbye

Can You Hold Me Just A Little Closer  
Can We Sing That Song Once Again  
Can You Kiss Me A Little Longer  
Over And Over Again

I Donâ€™t Want Tonight To Be Over  
I Donâ€™t Want This Night To Ever End  
I Wish That I Could Make It Last Forever  
Weâ€™d Never Have To Say Goodbye Again

Do You Remember Me When Youâ€™re Dreaming  
Will You Think Of Me When Youâ€™re Down  
When You Return, Iâ€™d Be Here Waiting  
Please Turn And Donâ€™t Be Too Long

I Donâ€™t Want Tonight To Be Over  
I Donâ€™t Want This Night To Ever End  
I Wish That I Could Make It Last Forever  
Weâ€™d Never Have To Say Goodbye Again

I Donâ€™t Want Tonight To Be Over  
I Donâ€™t Want This Night To Ever End  
I Wish That I Could Make It Last Forever  
Weâ€™d Never Have To Say Goodbye Again  
No Weâ€™d Never Have To Say Goodbye Again
