Do I Have To Come Right Out And Say It

Buffalo Springfield

Do I have to come right out
And say it,
Tell you that you look so fine?
Do I have to come right out
And ask you to be mine?
If it was a game I could play it,
Trying to make it
But I'm losing time
I got to bring you in,
You're overworking my mind.Indecision is crowding me,
I have no room to spare
And I can't believe she cared
Like a dream she has taken me
And now I don't know where
And a part of me is scared
The part of me I shared,
Once before.Do I have to come right out and say it,
Tell you that you look so fine?
Do I have to come right out
And ask you to be mine?Indecision is crowding me,
I have no room to spare
And I can't believe she'd care.
Like a dream she has taken me
And now I don't know where
And a part of me is scared
The part of me I shared
Once before.
