

# do it now

## Ash Grunwald

Back up, back up, back up, back up  
Back up, back up, back up, back up  
Ease off, this goes out to all area crew  
(Yes, yes) To my BK crew  
(Ooh, ooh, wee)

To my QB crew, my LI crew  
My Shaolin crew My Dirty South crew  
(What cha'll niggaz about the Dirty South?)  
Atlanta, North Cakalak'  
For all my fam, all area crew  
(Aow)

Yeah, mon Yes, the first cut should be the deepest  
To penetrate beyond the muscle wall's inner regions  
First you was icin' me, connect with the starin' at the speakers  
Heard the rhyme, head high, what ya starin' at ya sneakers You shy now, got a lot of things on your mind now  
You don't feel fly now, you huntin' the exit sign down  
Fuck what you heard, 'cause I snatch the grapevine down  
(Yeah, yeah)

Don't understand how I ran the line down, rewind now Yo, we be the most magnetic, so athletic

Leave your peeps on the side so they can  
Watch you and your mans get it Take the arch rivalry stance up on the podium  
And give the flavor to niggaz, but keep it low on sodium  
Posess shit that got you wonderin' how we holdin' 'em  
Things that'll lay you out like a piece of linoleum Bring whoever you want  
We bout to bug son and bounce

Down to Henry Hudson  
After I bust one Yo, Mos Def  
Alright, okay  
How you feel?  
Feelin' great  
Whatcha want?

I wan' do it to death, whassup wit you? You know my steez

True indeed  
Say it loud  
Black and proud  
Ain't no time to hesitate at the gate  
Do it now Bus-a-Bus, what-a-gwan?  
How you feel?  
Feelin' great

Whatchu want?  
I wanna do it to death, whattup wit you? You know my steez  
True indeed  
Say it loud  
Black and proud  
Ain't no time to hesitate at the gate  
Do it now Hay dios mio, me and Bustarimo es peligro  
The hottest negroes en Los Estados Unidos  
Hotter than Reno when discovered by Bugsy Siegal  
I'm black like Don Cheadle, shoutin' power to the people My rhymes dipping like the lifeline on the e-boat  
The raw sugar cane, NutraSweet, never Equal  
If you in a Benzito or your mother's Buick Regal  
I get up like Chino shoutin' power to the people Yo, me and the Mighty Mos shine like a light post  
Live nigga shit be straight fuckin' up the white folks  
That's why they with it now, because niggaz like me and you  
We did it now, brought it to that level so they get it now We graduated, saturated the game now  
Infatuated with the fame, now let me explain how  
We doin' this, at any time or any place ready willin' and able  
Let's get the dough secure the food on the table Ay, Mos Def  
Oh my God  
How you feel?  
I'm feelin' great  
Whatcha want?  
Wanna do it to death, whassup wit you? You know my steez  
True indeed  
Say it loud  
Black and proud  
Ain't no time to hesitate at the gate  
Do it now Bus-a-Bus, rhymes galore  
What the deal?  
Feelin' great  
Whatchu want?  
Wanna do it to death, whattup wit you? You know my steez  
True indeed  
Say it loud  
Black and proud  
Ain't no time to hesitate at the gate  
Do it now From east, west, north and south, I got joints for all of those  
Heavy aquatic water flows, keep them on they toes  
Tell them thugs that wanna be CEO's to be derobed  
'Fore I wear your little dumb ass out like Easter clothes Yo, yo, yo, yo, yo  
It's like a freak show, soon as my heat blow  
Sometime I speak slow so people understand my street flow  
And while we keep it hot, we got the most shine up in  
This whole shit, me and Mos spit and blow the show quick Watch owt, your pussy sound get bucked Souf

Mos 'n Bussa Rhymes too bad man-a-shutout  
Watch owt, give a damn whut fancy car ya hop owt  
Shut down your game like da NBA lockout Ya betta watch owt, I'm 'bout to black on niggaz  
Like I'm blowin' on a sax, blowin' my gats on niggaz  
Blowin' my raps on niggaz, now let me mash out  
We fatter than the biggest ass chicks pokin', they ass out Hey, Mos Def

Magnetism  
How you feel?  
Feelin' great  
Whatcha want?  
I wan' do it to death, whassup wit you? You know my steez  
True indeed  
Say it loud  
Black and proud  
Ain't no time to hesitate at the gate  
Do it now Bus-a-Bus, woo, hah  
How you feel?  
Feelin' great  
Whatchu want?  
I wanna do it to death, whattup wit you? You know my steez  
True indeed  
Say it loud  
Black and proud  
Ain't no time to hesitate at the gate  
Do it now What, what, we got to do it, do it  
We got to do it, do it, make me do it, do it  
What, what, what, what, we got to do it, do it  
Make me do it, do it  
Do it, do it, do it now What, what, we got to do it, do it  
Do we do it, do it, do it, ah, do it now  
What, what, we got to do it, do it  
Got to do it, do it  
Do it now, aow
