

Ooh Child

BeBe & CeCe Winans/BeBe Winans/CeCe Winans

Ooh, brighterOoh child, things are gonna get easier

 Ooh child, things will be brighter

 Ooh child, things are gonna get easier

 Ooh child, things will be brighterSome day

 We'll put it together and we'll get it all done

 Some day

 When your head is much lighterSome day

 Walk in the rays of a beautiful sun

 Some day

When the world is much brighterOoh child, things are gonna be easier

 Ooh child, things will be brighter and brighter

 Ooh child, things are gonna be easier

 Ooh child, things will be brighterSome day

 We'll put it together and we'll get it all done

 Some day

 When your head is much lighterSome day

 We'll walk in the rays of a beautiful sun

 Some day

 When the world is much brighterSome day

 We'll put it together and we'll get it all done

 Some day

When your head is much, much lighterSome day

 We'll walk in the rays of a beautiful sun

 Some day

When the world is much brighterOh, oh, some day

 We'll walk in the rays of a beautiful sun

 Some day

 When your head is much lighterSome day

 We'll put it together and we'll get it all done

 Some day

When your head is much lighterOoh child, ooh child

 Ooh child, things are gonna be brighter

 Oh, right now, lets get it together

Get it together and we'll get it all doneRight now, right now

 One day we'll get together if we wanna get together

 Ooh child, ooh child, ooh child

 Get it together and we'll get it all done

 Right now, right now

One day we'll get together if we wanna get togetherOoh child, ooh child

Right now, right now
One day we'll get together if we wanna get together
Right now, right now
Right now, lets get it together
