

Kentucky (feat. Billie Joe)

[Norah Jones](#)

Kentucky
You are the dearest land, outside of Heaven to me
Kentucky
I miss your laurel and your redbud trees When I die,
I want to rest upon a graceful mountain so high
For that is
Where God will look for me Kentucky
I miss the old folks singing in the silvery moonlight
Kentucky
I miss the hound dogs chasin' oooooonnn I know that
My mother, dad and sweetheart are waiting for me
Kentucky
I will be coming soon
Kentucky
