## **Cause of Death**

## **Obituary**

With the dying body dead With the dying the coming rotting With the dying the coming rotRot in hell religious one Cold fate, the chosen son Find the darkness, kill the day You said you'd never cease sayingWe're the cause of deathFind the one and kill the need You're the one to make us bleed Find the darkness little one [Incomprehensible]We're the cause of deathRot in hell religious one Cold fate, the chosen son Find the darkness, kill the day You said you'd never cease sayingWith the darkness we arise Your hell is denied The power's below Reality's hereWith the darkness we arise Your hell is denied The power's below Reality's here
