

# Radio clash

## Radio Maroon

Interrupting all programmes  
This is radio clash from pirate satellite  
Orbiting your living room  
Cashing in the bill of rights  
Cuban army surplus or refusing all third lights  
This is radio clash on pirate satellite  
This sound does not subscribe  
To the international plan  
In the psycho shadow of the white right hand  
Then that see ghettology as an urban viet nam  
Giving deadly exhibitions of murder by napalm  
This is radio clash tearing up the seven veils  
This is radio clash please save us, not the whales  
This is radio clash underneath a mushroom cloud  
This is radio clash  
You don't need that funeral shroud  
Forces have been looting  
My humanity  
Curfews have been curbing  
The end of liberty  
Hands of law have sorted through  
My identity  
But now this sound is brave  
And wants to be free - anyway to be free  
This is radio clash on pirate satellite  
This is not free europe  
Noh an armed force network  
This is radio clash using audio ammunition  
This is radio clash can we get that world to listen?  
This is radio clash using aural ammunition  
This is radio clash can we get that world to listen?  
This is radio clash on pirate satellite  
Orbiting your living room  
Cashing in the bill of rights  
This is radio clash on pirate satellite  
This is radio clash everybody hold on tight  
A-riggy diggy dig dang dang  
Go back to urban 'nam
