

When God Made You

[Ronnie McDowell](#)

It's always been a mystery to me
How two hearts can come together
And love can last forever
But now that I have found you, I believe
That a miracle has come
When God sends the perfect one

Now gone are all my questions about why
And I've never been so sure of anything in my life

chorus:

I wonder what God was thinking
When He created you
I wonder if He knew everything I would need
Because He made all my dreams come true
When God made you
He must have been thinking about me

I promise that wherever you may go
Wherever life may lead you
With all my heart I'll be there too
From this moment on I want you to know
I'll let nothing come between us
I'll love what ever you love

chorus:

He made the sun He made the moon
to harmonise in perfect tune
One can't move without the other
They just have to be together
And that is why I know it's true
You're for me and I'm for you
Cause my world just can't be right
Without you in my life

I wonder what God was thinking
When He created you
I wonder if He knew everything I would need
Because He made all my dreams come true

He must have heard every prayer I've been praying
Yes, He knew everything I would need
When God made you
When dreams come true
When God made you
He must have been thinking about me
