Lesson In My Life (Outtake)

Peter Tosh

I've learned some lessons in my life
Lessons in my life
Always be careful of mankind
Be careful of mankind
They'll make you promises today
But tomorrow they change their mind
Make you faithful promises today
But tomorrow they change their mindBut I'm an up full man
I love up full people (up full people)
I'm a progressive man
And I love progressive people (progressive people)
I'm a truthful man
And I love truthful people (truthful people)
I'm an honest man
And I love honest people (honest people)I've learned some lessons in my life
Lessons in my life
Always be careful of my friends
Be careful of my friends
Money can make friendship end
It makes friendship end
Money can make friendship end
It makes friendship endBut I'm an up full man
And I love up full people (up full people)
I'm a progressive man
And I love progressive people (progressive people)
I'm an honest man
And I love honest people (honest people)
I'm an intelligent man
And I love intelligent people (intelligent people)
I'm an aggressive man
And I love aggressive people (aggressive people)
I'm a fire man
And I love fire people (fire people)
But I'm an up full man
And I love up full people (up full people)
I'm an intelligent man
And I love intelligent people (intelligent people)
I'm an progressive man

And I love progressive people (progressive people)
