

# Change Your Mind

**Tori Kelly**

[Verse 1]

He came to me like a song  
Like one I knew all along  
And daddy, he got a hold on me  
I know you think that it's wrong  
But he grew on me like a rose  
The sweetest I've ever known  
I swear that he got a hold on me  
And now I can't let him go[Chorus]  
No one ever said it was easy  
And I love him, you gotta believe me  
No, it don't seem right  
But I'll change your mind, mind  
Trust in me, I'ma need your blessing  
Oh, I love him, I'm confessing  
If it takes my life, I'ma change your mind

[Verse 2]

He spoke to me like the rain  
I knew that I would have to see him again  
And as he poured out his heart on me  
I was a moth to a flame, oh[Chorus]  
No one ever said it was easy  
And I love him, you gotta believe me  
No, it don't seem right  
But I'll change your mind, mind, yeah  
Trust in me, I'ma need your blessing  
Oh, I love him, yeah, I'm confessing  
If it takes my life, I'ma change your mind, mind[Bridge]

Oh, oh

I'ma change your mind, oh

[Outro]

You look at me like the sun  
And I can see that your mind's made up  
But daddy, he got a hold on me  
I swear that he's the one
