To Love You Back

Jamie Grace

From the ï¬•rst sunrise You knew my name
You knew I'd fail You over and over
But still You loved me all the sameYou still love me anyway
The way You don't give up on me
You really got a hold on me
You give me more than I deserve
You've become my everything
The only reason that I sing
The beauty is You chose me
And I still can't believe
That you've loved me for eternity
And what's so marvelous to me
Is that I ï¬•nally get
I ï¬•nally get
I get to love You (to love You back)
I get to love You
I get to love You
I ï¬•nally get, I ï¬•nally get
I get to know You more and moreAnd make every single day about You
I wanna live like I can't afford
To spend another second without You
The way You don't give up on me
You really got a hold on me
You give me more than I deserve
You've become my everything
The only reason that I sing
The beauty is You chose me
And I still can't believe
That you've loved me for eternity
And what's so marvelous to me
Is that I ï¬•nally getI ï¬•nally get
I get to love You (to love You back)
I get to love You
I get to love You
I ï¬•nally get, I ï¬•nally get
To go back to the start
Back when my heart ï¬•rst met You
Oh, I heard You were good
But this is more than I expected

So I answer the call
I give You my all
And lay it at Your feet
I can't praise You enough
But I promise to give You my love
Oh I can't believe
That you've loved me for eternity
And it's so beautiful to seeThat I ï¬•nally get, I finally get
To love You back
To love You,(to love You back)I get to love You, (with every part of me)
I get to love You
Oh I get to love You, yeah
I get to love you back
Oh how I love you...
