

Inside My Love

Trina Broussard

Two people, just meeting, barely touching each other
Two spirits, greeting, tryna carry each further
You are one, and I am another
We should be, one inside each other

You can see inside me, will you come inside me
Do you wanna ride, inside my love
You can see inside me, will you come inside me
Do you wanna ride, inside my love

My love, my love, my love
My love, my love, my love

Two strangers, not strangers
Only lacking the knowing
So willing, feeling
Infinite growing
While we're here, the whole world is turning
We should be, one, fulfilling the yearning

You can see inside me, will you come inside me
Do you wanna ride, inside my love
You can see inside me, will you come inside me
Do you wanna ride, inside my love
You can see inside me, will you come inside me
Do you wanna ride, inside my love

Say that you'll ride, inside this love with me
Come ride, inside this love with me

You can see inside me, will you come inside me
Do you wanna ride, inside my love
You can see inside me, will you come inside me
Do you wanna ride, inside my love

You can see inside me, will you come inside me
Do you wanna ride, inside my love
You can see inside me, will you come inside me
Do you wanna ride, inside my love
