

# Holy Spirit Overflow

Marvin Sapp

Holy spirit overflow  
Holy spirit overflow  
move with power  
at this hour  
Holy spirit overflow  
let your glory overflow  
and your presence take control  
move with power  
at this hour  
Holy spirit overflow  
and let it fall from your throne  
you are God and God alone  
have your way in this place  
for we like to see your face  
move with power  
oh this hour  
Holy spirit  
fill my cup lord  
i lift it up lord  
come and quench this thirsting of my soul  
bread of heaven feed me till I want no more  
we need you to  
flow  
i said we need you to  
i desire you to  
flow  
i want you to  
flow  
i realise i can't make it without you  
flow  
breath in my life  
flow  
take whats wrong and make it right  
flow  
repair me and share me with the people  
flow  
so that i can be all that you want me to be Jesus  
flow  
i tried it on my own

flow  
i can't make it all by myself i realize  
flow  
that my life was a mess until you came along and a  
flow  
you began to order my steps  
you set them in order so that i can  
flow  
do what you want me to do  
and be what you want me to be  
flow  
that's why i need you to just keep flowing  
flow  
in my life  
that's all I need you to do Jesus  
flow  
oooh oooh ooooh ooooooh flow  
so that things can change in me right  
flow  
so that everything that's night will be light  
flow  
do it in my life please  
do it in my life please  
flow  
lord we need you we need you to  
flow  
flow in every area of my existence  
flow  
so that my life will be in order  
flow
