Sway

The Perishers

I talk to you as to a friend
I hope thats what you've come to be
It feels as though we've made amends
Like we found a way eventuallyIt was you who picked the pieces up
When I was a broken soul
And then glued me back together
Returned to me what others stoleI dont wanna hurt you
I dont wanna make you sway
Like I know, I've done before
I will not do it anymore
I've always been a dreamer
I've had my head among the clouds
But now that Im coming down
Wont you be my solid ground?I look at you and see a friend
I hope thats what you wanna be
Are we back now where it all began?
Have you finally forgiven me?You gathered my dreams in
When they all blew away
And then tricked them back into me
You saved me I was almost deadI dont wanna hurt you
I dont wanna make you sway
Like I know, I've done before
I will not do it anymore
I've always been a dreamer
I've had my head among the clouds
Well now that Im coming down
Wont you be my solid ground?I dont wanna hurt you
Like I know, I've done before
I will not do it anymoreI dont wanna hurt you
I dont wanna make you sway
Like I know, I've done before
I will not do it anymore
I've always been a dreamer
I've had my head among the clouds
Well now that Im coming down
Wont you be my solid ground?
