

# Lonely Woman

[Dee Dee Bridgewater](#)

need someone who'll  
Be a companion you see.  
I'm just a lonely woman  
In search of company.  
I'm not the kind of  
Woman who's foot-loose and free.  
I'm just a lonely woman  
In search of company.  
(bridge)  
Won't the good Lord hear me? So incomplete.  
So I'm yearning to meet  
That sweer, neat, off beat  
Man of my dreams, can't you see.  
I'm just a lonely woman  
In search of company.  
I'm so terribly blue.  
I'm so alone.  
Where can he be?
