

# Blind Mary

Gnarls Barkley

Yeah  
I love Mary (I love Mary)  
Blind Mary marry me (Marry me)  
I love Mary (I love)She has never seen the sunshine (sunshine)  
Yet she's getting along just fine (fine)  
She's not staying she's just passing through (Ooh ooh)  
Hey, do you mind if I follow you?  
YouI love Mary (I love Mary)  
Blind Mary marry me (Marry me)  
I love Mary (I love)  
YeahI heard a voice say "catch me if you can"  
Before you know it I was holding her hand  
It's harder to imagine then understand  
How she knows exactly who I am  
YeahI love Mary (I love Mary)  
Blind Mary marry me (Marry me)  
I love Mary (I love)  
YeahShe's my friend she doesn't judge me  
She has no idea I'm ugly  
So I've absolutely nothing to hide  
Because I'm so much prettier inside  
YeahI love Mary (I love Mary)  
Blind Mary marry me (Marry me)  
I love Mary (I love)  
Blind Mary marry me (Marry me)
