

# Wax and Wane

## Cocteau Twins

Carrying prose  
Broke my real friend  
The devil bite's dirty, we wax and we wane

[Repeat: x4]  
The devil bite's dirty, we wax and wane

Licking our wounds  
The devil bite's dirty  
Reckoning we'll taste  
We wax and we wane

[Repeat: x4]  
The devil bite's dirty, we wax and wane

Caring is a bury gin shot  
The devil bite's dirty  
Up to the wee wanes

Oh, we laugh in their faces

[Repeat: x8]  
The devil bites dirty, we wax and wane
