

The Great Divide (from "Secret of the Wings")

McClain Sisters

Ooh-ooh
La-Da-Da Da-DaI never knew I lost ya till I found ya
And I never guessed how close you were to me
And now I wanna throw my arms around ya
Tell a thousand tales that will astound ya
Everything about ya tells me this was meant to be
Don't you seeI'm on your side
Let's take this ride
And together we're facing the world
Doing things nobody's done before
And the great divide
Doesn't seem so wide anymoreLooooveI can't recall what life was like without ya
Now it feels as though we've never been apart
Tell me every tiny thing about ya
Anything you'll say I'll never doubt ya
We're meant to be together
I can feel it in my heart
It's just the startI'm on your side
Let's take this ride
And together we're facing the world
Doing things nobody's done before Never done before
And the great divide
Doesn't seem so wide...And if you'll be there beside me when I falter
Then whatever comes I know we'll take it all in stride
I'm on your sideThe great divide
It doesn't seem so wideI'm on your side (On your side)
Let's take this ride (Take this ride)
And together we're facing the world
Doing things nobody's done before (Never done before)
And the great divide (And the great divide)
Doesn't seem so wide anymore
