

# Majesty of Heaven (Acoustic Version)

[Chris Tomlin](#)

Majesty of Heaven  
Your glory fills the skies  
Light of the world  
You are Lord of all  
Humble by Your presence  
Amazed by who You are  
Nothing compares  
You are Lord of all  
To You the nations bow down  
Through Your creation cries out, Majesty  
All things You hold together  
Your name will stand forever, Majesty  
You are Majesty  
Merciful and mighty  
My heart is overwhelmed  
You stand alone  
You are Lord of all  
To You the nations bow down  
Through Your creation cries out, Majesty  
All things You hold together  
Your name will stand forever, Majesty  
You are Majesty  
Your name above all others  
High and exalted  
Your kingdom shall reign forever  
High and exalted  
Your name above all others  
High and exalted  
Your kingdom shall reign forever  
High and exalted  
To You, the nations bow down  
Through You, creation cries out, Majesty  
All things You hold together  
Your name will stand forever, Majesty  
You are Majesty, You are Majesty
