Egypt

Symphony X

Endless sands of Alnantees - etched in gold, a city lost in time
and from the sea - A Child speaks of things unseen,before the King - a teller of the Rhyme
find the Key - it draws the final line between what is and what should never beFive align - hidden in the word a message loched in time
Fears in the night flee with the Sun - if we are One
Kingdom of Gold I lay at your feet -Ruler of Time and Space you will be
Gaze in these eyes my child and see - here by my side, your destined to be
Rivers of Truth forever will run - if we are One
He seeks the one - his serpent's tail and twisted tongue -
From the ruins of Atlantis, the Lord of Night rises from the sands
a bringer of War - Destroyer of the LandFive align - hidden in the word a message loched in timefind the Key - it draws the final line between what is and what should never be"Rise my minions - from within the deep abyss my disciples - thunder this necropolis"
Gaze in these eyes my child and see - here by my side, your destined to be
Fears in the night chasing the Sun - now we are One
Kingdom of Gold now lay at my feet -
Ruler of Time and Space I will be
Rivers of Truth forever will run - now we are One
