

I Want To Stroll Over Heaven With You

[Alan Jackson](#)

If I surveyed all the good things
That come to me from above
If I count all the blessings
From the storehouse of love I'd simply ask for the favor
Of him beyond mortal king
And I'm sure
That he'd grant it again I want to stroll over Heaven
With you some glad day
When all our troubles and heartaches
Are vanished away Then we'll enjoy the beauty
Where all things are new
I want to stroll over Heaven
With you So many places of beauty
We long to see here below
But time and treasures have kept us
From making plans as you know But come the morning of the rapture
Together we'll stand a new
While I stroll over Heaven
With you I want to stroll over Heaven
With you some glad day
When all our troubles and heartaches
Are vanished away Then we'll enjoy the beauty
Where all things are new
I want to stroll over Heaven
With you I want to stroll over Heaven
With you
