

# Good Cop Bad Cop

Duminie DePorres

I don't wanna feel this way  
I don't wanna feel this way I don't wanna feel this way  
Won't somebody take away this feeling?  
I'm looking at a open sky  
It's like my roof has got no ceiling It's wrong to feel this way, I know it's wrong, I know it's bad  
To only see what isn't there, to want and want and never have  
But you know there's more to me now, don't you?  
You always cover for me, won't you, won't you? And this used to look half full  
Now some days it looks half empty  
And some days it feels like nothing  
It always used to feel like plenty But it's wrong to feel this way, I know it's wrong, I know it's bad  
To only see what isn't there, to want and want and never have  
But you know there's more to me now, don't you?  
You always cover for me, won't you, won't you, won't you? I don't wanna feel this way  
Won't somebody take away this feeling?  
You play good cop, I play bad cop  
Still my roof has got no ceiling  
Still my roof has got no ceiling I don't wanna feel this way  
I don't wanna feel this way  
I don't wanna feel this way  
I don't wanna feel this way
