Princess

Zididada

One two three fourShe's my little princess
She's the one, the only one
A queen to be throne
I've got to believe in
There is only one to own my destiny
Hey...(Chorus)
Baaa ba ba ba ba baaa...
Yeah she's the only, she's the only one for me
Baaa ba ba ba ba baaa...
Oh, there ain't no other
Ain't no other, cant you see?She's my little princess
All I want is her, and only her
The sweetest girl I know
And if she'd ever leave me
So sad and lonely, wanting only her by my side
Hey...(Chorus)
Baaa ba ba ba ba baaa...
Yeah she's the only, she's the only one for me
Baaa ba ba ba ba baaa...
Oh, there ain't no other
Ain't no other, cant you see?Bright is the light
Guides me through life
It's the highest love in heaven
Stars always shine
Knowing you are mine, oh mine
Baby, you are beautiful
To me(Chorus x 2)
Baaa ba ba ba ba baaa...
Yeah she's the only, she's the only one for me
Baaa ba ba ba ba baaa...
Oh, there ain't no other
Ain't no other, cant you see?
