

# Split Chick

Mandy Moore

Aah aah  
Aah aah  
I can run as fast as the boys  
I can sing and dance ballet  
I can show you all of my toys  
Though I'd rather be alone today  
It's not that I don't like to hang around with you  
And though you're fun, I'm on the run, so much to do  
Gotta make the dreams I have come true  
'Cause life is what you make it and to waste it just won't do  
Split chick  
Gotta split, can't stay  
(Aah aah)  
That's the way I'm a split chick  
(Aah aah)  
Thanks a lot  
Had fun, see you babe  
(Aah aah)  
I'm split in two, I'm a split chick  
(Aah aah)  
I can hold my breath forever  
I can pledge allegiance in the reverse  
You know kids can be so clever  
It can be a blessing or a curse  
When I'm with you, I get lost inside your eyes  
I forget about the time and then I realize  
Gotta run along and sing my song  
I'll kiss you and miss you and be back before too long  
Split chick  
Gotta split, can't stay  
(Aah aah)  
That's the way I'm a split chick  
(Aah aah)  
Thanks a lot  
Had fun, see you babe  
(Aah aah)  
I'm split in two, I'm a split chick  
(Aah aah)  
Split chick

Gotta split, can't stay  
(Aah aah)  
That's the way I'm a split chick  
(Aah aah)  
Thanks a lot  
Had fun, see you babe  
(Aah aah)  
I'm split in two, I'm a split chick  
(Aah aah)  
Thats right  
Every flower has to find a way to reach up to the, sun  
(Sun)  
Even though the cracks in the sidewalk  
(Sidewalk)  
Whatever  
(Aah aah)  
Ahh ahh,  
(Aah aah)  
Sure  
(Aah aah)  
Gotta make the most of everyday  
(Aah aah)  
Making friends will help me on my way  
(Aah aah)  
I'll rise above the fear I feel  
(Ooh ooh)  
I'm gonna take these dreams and make 'em real  
Split chick  
Gotta split, can't stay  
That's the way I'm a split chick  
Thanks a lot  
Had fun, see you babe  
Split in two, I'm a split chick  
Split chick  
Gotta split, can't stay  
(Thats rite)  
That's the way I'm a split chick  
(See ya)  
Thanks a lot  
Had fun, see you babe  
(Come on)  
Split in two, I'm a split chick  
(Thats rite)  
Split chick  
(Wait)

Gotta split, can't stay  
That's the way I'm a split chick  
(Aah aah, alright)  
Thanks a lot  
Had fun, see you babe  
I'm split in two, I'm a split chick  
(Thats rite)  
I'm split in two, I'm a split chick  
(I'm split in two, I'm a split chick)  
Split in two, I'm a split chick  
(I'm out of here)  
(Goodbye)
